

Lone Jack C-6 School District

Summary

An AMPM Mules Club Teacher is responsible for the supervision of students K-6th in designated AMPM areas. While supervising, the teacher is expected to be interacting with students in a positive and encouraging manner while helping with any activity that is planned for that day. The teacher will also take part in keeping the designated areas clean, organized and safe. Specific directions for the teacher will be given by the AMPM Director or the Lead Teacher. The teacher needs to have strong leadership skills, the ability to build caring relationships with students, be friendly and approachable, and abide by all district policies and procedures.
