

STUDENT PROGRESS REPORTS AND CONFERENCES

Students will receive a progress report at the end of each grading period. Students, who are not making adequate progress, and their parents, will be notified prior to the end of the grading period in order to have an opportunity to improve their grade. The board encourages the notification of students who have made marked improvement prior to the end of the semester.

Parent-teacher conferences will be held twice each year. These conferences may be replaced with other forms of parent-teacher communications, as approved by the school board.

Parents, teachers, or principals may request a conference for students in grades kindergarten through twelve in addition to the scheduled conference time. Parents and students are encouraged to discuss the student's progress or other matters with the student's teacher.
