

STUDENT HONORS AND AWARDS

The school district will provide a program that establishes honors and awards including, but not limited to, academic letters, scholarships and good citizenship awards for students to assist students in setting goals. Students are made aware of honors and awards and the action necessary on the part of the student to achieve them. Students who have not attended an accredited public or private school for their entire high school education, will not be eligible for honors and awards.

In order to be eligible for scholastic awards, such as class rank, honor roll, high honor graduate, academic letter, conference award, Academic Achievement Club, President's Award, Academic All-State, Governor's Scholar, etc., students must attend an accredited school for at least two of their high school years. In addition, at least one (1) semester must be successfully completed at Ogden Community School District.

It is the responsibility of the superintendent to develop the administrative regulations regarding this policy.
