Special Meeting (immediately following Budget Hearing)

1. Call to Order (Quorum)
2. Public Forum

The public forum is meant for people who live in the district to share their thoughts. They must live in the district, and they should be respectful of all as they do it. They are given a 3-minute time period, usually set and monitored by the Superintendent or Secretary. If multiple people speak on the same topic, the board does not have to listen to them all if the information is the same from each person. They are not speaking about an agenda item, therefore the board can take no action and should not. If the board wants further information, they should talk to the superintendent at a separate time. The superintendent will work with staff to find out additional information. The superintendent will then report back to the board.
