

Code No. 603.1

BASIC INSTRUCTION PROGRAM

The basic instruction program will include the courses required for each grade level by the State Department of Education. The instructional approach will be multicultural and gender fair.

The basic instruction program of students enrolled in grades Kindergarten through six will include English-language arts, social studies, mathematics, science, health, human growth and development, physical education, traffic safety, music, and visual art.

It is the responsibility of the superintendent to develop administrative regulations stating the required courses and optional courses for kindergarten, grades one through six.
