

CLASSIFIED EMPLOYEE CONTRACTS

The board may enter into written contracts with classified employees employed on a regular basis. The contract will state the terms of employment.

Each contract will include a two week cancellation clause. Either the employee or the board must give notice of the intent to cancel the contract at the end of two weeks. This notice will not be required when the employee is terminated during a probationary period or for cause.

Classified employees will receive a job description stating the specific performance responsibilities of their position.

It is the responsibility of the superintendent to draw up and process the classified employee contracts and present them to the board for approval. The contracts, after being signed by the board president, are filed with the board secretary.

NOTE: If the board limits the use of classified employee contracts to bus drivers (which are required by law) that should be specified so other classified employees don't expect a contract. The last paragraph in brackets should be completed and added to appropriate policies for classified employees in school districts where classified employees have certified collective bargaining units.

Boards can now delegate the hiring of classified employees to the superintendent. The superintendent can also sign individual contracts for classified employees as well. The board needs to determine which of the above bracketed sentences are appropriate for its district.
