

## STUDENTS

Series 500

Policy Title: MINOR SCHOOL LICENSE

Code No. 502.10R

Students that meet the qualifications to be issued a Minor School License shall abide by all rules and regulations pertaining to the issuance and use of the license. Parents' and the student shall present a completed Iowa Department of Transportation Affidavit for School License Form to the Superintendent for signature.

Students desiring to receive a Minor School License must meet the following guidelines:

1. The student must hold a valid Instruction Permit during the six consecutive months immediately preceding application for the Minor School License and must be conviction and contributive accident free during this six-month period.
2. The student must be at least 15 years of age. Under special circumstances a student who is 14 ½ years of age may apply for a Minor School License after the student's parents have met with the Superintendent.
3. Students who live within one mile of school, and would not otherwise be eligible for a Minor School License, may be eligible if the student can demonstrate that a legitimate need exists for a student driving permit.
4. The Superintendent of Schools shall verify the need for a Minor School License. The student may appeal to the school board the decision of the Superintendent to deny certification. The decision of the school board is final.
5. The student must have successfully completed driver education, unless specially exempted because of hardship.
6. The Minor School License is valid for traversing the most direct and accessible route between resident and school of attendance or school athletic facility (if the student participates in a sport at the facility.)
7. The Minor School License is valid for attending courses of instruction and/or extra curricular events/practice within the school district, in addition to the particular school of attendance within the school district.
8. The Minor School License is valid for driving to school in the school district of the parent's or guardian's residence or a contiguous school district if attending because of open enrollment or shared programs.
9. The Minor School License is valid for use between 5:00 a.m. and 10:00 p.m.
10. The Minor School License is valid for transporting other students from licensee's residence to same school and from the same school to the licensee's residence after school. Stopping on the way to pick up or discharge other students is a violation.
11. Suspension of the Minor School License may result from a single moving violation conviction; being at fault in a chargeable accident; upon request from a peace officer, parent, or guardian, or the Superintendent attesting to violations of the Minor School License provisions or any other reason that would cause suspension of a Minor School

License. A suspension or revocation of a Minor School License also withdraws the student's instruction permit or any other driving privilege.

Approved – 12/10/12
