

**Policy 507.08: Student Special Health Services****Status:** ADOPTED**Original Adopted Date:** 1/10/1994 | **Last Reviewed Date:** 8/8/2022

The board recognizes that some special education students need special health services during the school day. These students will receive special health services in conjunction with their individualized health plan.

The superintendent, in conjunction with licensed health personnel, will establish administrative regulations for the implementation of this policy.
