

PURPOSE OF NONINSTRUCTIONAL AND BUSINESS SERVICES

This series of the board policy manual is devoted to the goals and objectives for the school district's noninstructional services and business operations that assist in the delivery of the education program. These noninstructional services include, but are not limited to, transportation, the school lunch program and child care. The board, as it deems necessary, will provide additional noninstructional services to support the education program. To the extent a group of employees has a recognized collective bargaining unit, the provisions of the master contract regarding such topics shall prevail.

It is the goal of the board to provide noninstructional services and to conduct its business operations in an efficient manner.
