

BEFORE/AFTER SCHOOL PROGRAM

The board authorizes a before and after school program for school age children in grades K-5. The purpose of this program is not only to provide child care for the children in our district community in their parent's absence, but to also assist in their optimal social, emotional, intellectual, and physical development

It shall be the responsibility of the superintendent, in conjunction with the building administrator and the director of this program to develop rules and regulations for the before and after school program. In developing the rules, the children's needs in keeping within the budget of the program shall be considered.

This program is an ancillary service of the school district, and is separate from the regular school district program. Employees of this program shall not be part of the school district's instructional staff.

It shall be the responsibility of the superintendent to oversee and maintain the records and the operation of the program.
