2. Smoking is prohibited in school district facilities and on school district grounds, including in private vehicles.
3. A school district employee or an adult from the community event must be present while the school district facility or equipment is being used by an entity.
4. After a school district facility, site, or equipment has been used by an entity, cleaning, including restoring the facility, site or equipment to the condition it was in prior to its use, will be done by employees assisted by a committee from the entity. The fee charged to the entity for the use of the facility, site, or equipment will include these costs. However, if excessive costs are involved in cleaning or otherwise restoring the facility, site, or equipment to the condition it was in prior to its use, the board reserves the right to charge the entity for these excessive costs.
5. Entities are required to stay within the area of the school district facility or site and use only the school district equipment authorized by the school district for use by the entity. Other school district facilities, sites, or areas in the school district building or equipment are off limits to the entity. School equipment will not be loaned to any person or entity for use off of school district property.
