

STUDENT HONORS AND AWARDS

The school district shall provide a program that establishes honors and awards including, but not limited to, academic letters, scholarships and good citizenship awards for students to assist students in setting goals. Students are made aware of honors and awards and the action necessary on the part of the student to achieve them. Students who have not attended the school district for 2 years shall not be eligible for honors and awards that are based on class rank.

It shall be the responsibility of the superintendent to develop the administrative regulations regarding this policy.
