Parents and/or Guardians:

There is a new physical form the state of lowa will be using starting with the 2023-24 school year for student-athlete participation physicals. The form is four pages long, but the first three pages are to be kept at the doctor's office and only the last page (page 4) should be turned into the school. It is very important that the last page is filled out entirely.

Please make sure your health care provider fills out the form carefully including their name, address, date, phone and signature. There is also a place for a parent and/or guardian to sign and date and that must be filled out for your child to be eligible for participation.

Thank you for your cooperation with this new form, it is greatly appreciated.

Mike R. Hilmer, Activities Director North Linn Consolidated School District
