Villisca Interchurch Council Technical Scholarships

Church affiliation is not required for this scholarship

This scholarship is available to those students wanting to learn an employable trade/skill. The scholarship is not based on grades or activities of the student. If you are not planning a career that requires a four-year-college degree, then this might be a scholarship for you. Multiple scholarships are available.

Guidelines for receiving a scholarship:

1. Must be a graduating student from the Southwest Valley High School.

2. Must be planning to enroll in a post-high-school education/training program that does not require a bachelors' degree.

3. Grades, class rankings, and school activities are not considered for this scholarship.

4. Include a **typed essay**: 1) In what career field do you plan to get your training, 2) Where are you planning to obtain that training, 3) Why have you chosen this career, 4) Experiences or people that influenced your career choice. Examples could be but are not limited to: school classes, paid or volunteer work, someone you know in this field of work, job shadow, etc.

5. A letter of recommendation from someone not related to you to be given to your Counselor.

***** ***** ***** ***** *****

Recipient will have until October 1, 2021, to redeem his or her scholarship.

All students are considered equal. The Villisca Interchurch Council provides these scholarships as our Churches' outreach program.

Any questions, contact Villisca Interchurch Council President Paul Barker at 712-826-7472.
