Rotary International
Corning Rotary Club Scholarship

The Corning Rotary Club will award five $1,000 scholarships to graduating seniors at Southwest Valley High School. Any student planning to enter a regular undergraduate or vocational/technical program is eligible to apply.

Students must write a letter of application and include a resume. Applications are due in the office of the Southwest Valley High School Guidance Counselor by April 1st. If the 1st falls on a weekend or school holiday the application is due the next school day.

Selection committee will consider character, scholastic merit, leadership, and community activities and **points are awarded in each of these four categories, so students will want to make sure they list or discuss all four areas.**

Applications must include a summary of the student's qualifications for the scholarship, including grade point, class ranking and test scores (such as ACT, Compass, etc.) Do NOT include reference letters. They will not be looked at by the committee. Any letters included will be shredded prior to application review. Points will be deducted for missing items.

Selection of scholarship winners will be made by the Corning Rotary Club. The funds for Corning Rotary Scholarships come from the annual "Rotary Scholarship Barbecue" held the first Monday in May. We encourage you, your family and friends to support that activity.

Recipients of the scholarships **will be expected to attend a Rotary Meeting at noon on a Monday within a month of receiving the award**. They need to coordinate their visit with the Scholarship Chairperson.

To receive their award, the recipient will send proof of their enrollment (registered class list) to the Scholarship Chairperson. A check will then be sent to the student. Scholarship is non-renewable.

A thank you note can be sent to:
Corning Rotary c/o Katrina Ogburn,
Rotary Scholarship Chairperson
PO Box 347
Corning, IA 50841
