Stanley Scholarship
$500

The Stanley scholarship is financed by The Stanley Scholarship Trust which annually gives $500 to help finance the education of a Southwest Valley High School senior at the college or university of his/her choice.

CRITERIA:
This award is based on merit with consideration being given to such factors as:
*Scholarship as demonstrated by school records
*Citizenship and leadership as demonstrated by activities in school, church, and community
*Character and industry as indicated by use of talents and abilities.

Financial need will NOT be a primary factor.

APPLICATION PROCESS:
The application written by the student must give the following information:
1. An outline of activities and interests while in high school
2. A statement of plans for future education
3. A statement regarding lifetime goals and aspirations
4. A statement of the students' qualifications for this scholarship

A review committee of Corning faculty members will evaluate the applications and recommend 5 for further consideration. Final selection will be made by the committee designated by the SWV Schools. This selection committee shall be composed of school personnel as well as individuals from the community.

The decision of the selection committee is final. The Southwest Valley School District reserves the right to omit the award in any year in which there appears to be no applicant of adequate merit.

The winner of the scholarship is announced each year at Scholarship Night.

METHOD OF PAYMENT:
The scholarship will be paid after successful completion of 1st semester of study and submission of a copy of 1st semester grades to the counselor's office. A check will be sent to the college of attendance.

Application Deadline Date: March 23rd.
