Allen and Beverly Heaton Memorial Scholarship
$500

Allen Heaton was salutatorian of his Corning High School Class of 1945. He joined the U.S. Navy in 1945. Following discharge from the Navy he attended Iowa State University in Ames for two years. In 1950 he returned to Corning to work at the Bank of Brooks and Heaton Insurance Agency. Allen passed away in 2006. Beverly graduated from Villisca High School with the Class of 1950. She attended Clarinda Junior College and received her teaching degree. She taught in the Corning School system for many years until choosing to stay home to raise their family. Beverly passed away in 2014.

Allen and Beverly were involved in many church and communities activities. They could always be counted on to lend a helping help. Throughout their lives they encouraged higher education but also felt it was important to give back to the community with their time and talents. The family hopes that this scholarship will help a SWV High School student further their education so that they may reach their goals in life and give back to their community.
